

CHARLES FARAM

HOP FACTORS & MERCHANTS SINCE 1865

GODIVA™

A daughter of Jester®, Godiva™ has a unique aroma that signaled promise early in development. It was unveiled as a commercial variety in 2016.

Godiva™ can be used in any application, but excels as a backdrop for other hops. In late or dry hopping it increases mouth feel and gives elevated drinkability to your final beer.

IN THE BEER

IN THE RUB

TECH SPECS
