Friability	%	85			96.0
Homogeneity	%	95			97.6
Diastatic Power dry basis	deg IOB				94

Best Before 30/06/2020

The above target specification for this specialist malt product is determined by the quality of barley available from the current organic crop. We will endeavour to meet this target; however the variability in barley quality means we cannot guarantee that the organic malt delivered will meet this target specification.
