

Simcoe®

Use in brewing:

Dual purpose hop. Due to the high alpha levels and low Cohumulone levels, this hop has become a very good bittering hop. Alongside this the fruity and slightly earthy aroma which helps this hop to be used as a dual purpose hop.

Substitutions:

Summit™

Origin/History:

Developed by the Select Botanicals Group and release by Yakima Chief Ranches in 2002

Agronomics:

Simcoe® is known to be a high yielding hop with good resistance, such as a good resistance to powdery mildew and sperotheca.

Storage:

Very Good.

Grapefruit, Passionfruit, Pine

USA

Alpha Acid	11-15%
Beta Acid	3-5%
